

# ROBIN AND MARIAN

*from*

GREENWOOD  
DREAMS

## *Verse 1*

When England is in a dark and troubled time  
Heroes appear in story and rhyme  
Living a life that sets them apart  
With a resolute mind and an amorous heart

## *Chorus 1*

The ballad makers of old Albion  
Sing about Robin and Marian  
Hearts pure and constant as the early morning dew  
A tender legend that is ever new

## *Verse 2*

Courageous and faithful, fighting side by side  
Robin the outlaw and his spirited bride  
Taking a stand with honour and grace  
Making England a fairer and happier place

## *Chorus 2*

And now they echo like a clarion  
Stories of Robin and Marian  
A cause to follow, and the will to see it through  
A tender legend

*(solo - echo)*

*A tender legend*

*A tender legend that is ever new*
